"Super Stuff"

from Mr. Gade

Congratulations and "Great Job done", go out to our Speech Team, Coaches Rene Scheer and Amanda Paredes, and District Host Bobette Toalson. Meridian hosted two fabulous District Speech Meets and our team performed well. Qualifying for State from Meridian are: Miranda Johnson = Persuasive Speaking, and Ty Brakhage and Guadalupe Dimas = Duet Acting. Kudos also goes out to our Musicians and their performance at Crossroads Honor Band and Choir and the Mudecas Music competition. We also need to recognize our entire staff and the various volunteers that helped make these events successful.

The final quarter has begun. Students are counting the days to summer break, teachers are pushing through lessons to disperse as much curriculum data as possible, and administrators are planning for next year while trying to keep everyone focused on education in the present. April and May are fun, exciting, and challenging months that will need our attention and commitment. Track meets, Fine Arts activities, and special events cover the calendar while Spring Fever hangs in the air; enjoy the activities and the air while finishing the school year strong. Pump your arms; relax your breathing; sprint to the finish line; focus on a solid gold educational medal.

BUSING INFORMATION

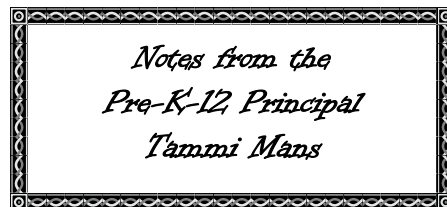

Again, within this newsletter is a Bus Information Update page for school year 2014-2015 that needs to be completed and returned to the School by March 28th. If you have completed and returned the form already, THANK YOU, if you haven't, please do so. Presently we don't have many students riding the bus next year. We will be reviewing our bus routes this Spring in preparation for next school year. If you have any questions, please call, also feel free to write notes, comments, and/or requests on the survey.

HAVE A SUPER YEAR
and beware the

Mustang Stampede!

WELCOME ABOARD:

On March 10, 2014, our School Board accepted the Superintendent's contract for Mr. Randy Kort. Mr. Kort will take the reins as Superintendent of Meridian Public School on July 1, 2014. Mr. Kort, his wife JeNae, and daughters Andi and Ally are looking forward to becoming part of the Mustang family. When you see them out and about, please help to welcome them.

SPRING EVENT ABSENCES:

Each spring, the HS Principal's office gives out a reminder in this newsletter as to what will be excused when it comes to attending track meets or other spring events. Our student handbook allows the following: "WILL BE EXCUSED..... illness, work at home (if we have a parent request in advance), attending the State Fair, going on trips with parents (such as skiing trips), and going to NSAA sponsored events (as in State Wrestling, Basketball, Track, Speech, Music, and the One Acts) *if you are a participant or if transportation is sponsored by the school.* Any other activity, other than those noted above, will be UNEXCUSED unless cleared IN ADVANCE with the School's Administration. The HS Principal's office is NOT going to excuse students from school to attend all-day track meets. I would also like to remind parents that

an excused absence is a still an absence and will be counted against a student's total days missed.

JR. HIGH HONORS MUSIC CLINIC:

Meridian will again be hosting the popular music event to be held on Friday, April 4th, 2014. NO SCHOOL will be held on this day as we are hosting 25+ participating schools. In all, we will host well over 200 students on that day, and the day concludes in the evening with a wonderful vocal and band concert at 7:00 p.m. in our gym.

WARMER WEATHER AND THE DRESS CODE:

Each year at about this time, it is necessary to remind parents and students about our school's dress code, especially when it gets a little warm outside. Chances are pretty good that some students will try to wear SKIMPY or INAPPROPRIATE summer type clothes to school sometime this spring. Meridian does have a dress code, and it will be enforced when necessary. Girls should not wear ultra short shorts or tops that do not cover the belly button area (midriff). Tank tops are not acceptable attire for either girls or boys at school. Students may be sent home to change into more appropriate clothes and be asked to make up the school time in doing so. Boys need to wear shirts that have sleeves and cover the armpits. The school administration has the final say on what is appropriate attire and what is not. If in doubt, save it for summer!

EASTER VACATION BREAK:

There will be no school on Good Friday, April 18th, 2014, or on Monday, April 21st, 2014. We hope you, your family and friends have a happy Easter. School will resume at its regular time on Tuesday, April 22nd, 2014.

COUNSELOR'S NOTES
by
Kelly Frank

Spring is officially here which means it's time to start thinking about schedules for next year! Students in grades 6-11 submitted their 'requests' a few weeks ago to help determine what classes we should offer for next year. After looking at the requests, a tentative class schedule has been created. Students are now encouraged to stop by and verify or make changes to what they have selected for next year. As a reminder, all Meridian students need 4 years of English and Social Studies, 3 years of Math and Science, 2 years of Technology, 2 years of Fine Arts, 1 year of Physical Education, 1 year of Vocational or Foreign Language, and a semester of Speech. Parents, please be sure to discuss your student's plan for the upcoming year.

Once again, next year's Junior and Senior students will have an opportunity to take dual-credit online college classes. Certain requirements to participate in these classes do apply. Right now, we utilize college resources through Peru State and Southeast Community College. Students also have an opportunity to participate in SENCAP's Career Academy, which is a great way to earn college credits free of charge! Students have been informed of these offerings. Parents, if you have questions regarding this, please talk to your child or feel free to contact me.

Seniors

Just a reminder that many local scholarships are due **APRIL 15th**. All students have been emailed the application forms. If you need another copy sent to you, please let me know.

Also, you need to let me know of any scholarships you receive – whether you accept them or not. All of the scholarships you receive will be announced at graduation.

If you haven't completed the FAFSA yet, now is the time to do so! Remember, the FAFSA will provide you with a Student Aid Report, which will determine your financial aid for next year.

Juniors

Some of you have taken the opportunity this spring to visit a college of interest. I would encourage more of you to do this if you can find time around spring events. I can schedule the visit for you or some colleges like you to submit a request from their website. When you visit, remember to take a "Campus Visit Form" with you so the office can mark it as an excused absence.

Reminder: The registration deadline for the June 14th ACT is **May 9th**. Go to www.actstudent.org to register.

If you have questions or concerns at any time, please feel free to contact me.

STUCO NEWS

The Meridian Student Council is ready to wind down the school year. Meridian is getting closer and closer to graduating the class of 2014! It's been a very busy month, as always, for the Meridian Student Council. The Council started the month by going to elementary classrooms and reading for Dr. Seuss' birthday; a celebration that has long been a tradition for the Meridian Student Council. The Council members took cupcakes down to the elementary classes and also had an activity for the students. Another activity the Council undertook was a new project, known as the March Meal Madness. Council Member, Baxter Beals organized the idea for a "March Madness" Bracket pitting all of the favorite Meridian lunches against one another. Although the winner is unknown so far, the race is a tough one. Also, the Council toured the Strategic Air and Space Museum for their annual StuCo Getaway. The Council was able to learn about different air and spacecraft. After the Strategic Air and Space Museum, the Council traveled to Defy Gravity, the only trampoline park in the state. It was a great day for the Student Council altogether. So, as the Council prepares for these last few months, only time will tell how the Council will keep the school held together.

Signing off,
Lupe Dimas - Public Relations Officer

Happy Easter!

PARENT TEEN DRIVER FACT SHEET

Parents play a key role when it comes to keeping their teen safe on the road.

Why teens crash

Teens don't get into a crash because they don't know the basic rules of the road. Rather it is because of their inexperience, immaturity and driving in high-risk situations. Motor vehicle crashes are the leading cause of death for Nebraska teens.

What can parents do?

➤ Be involved with your teen driver.

Involved parents who set rules and monitor their teen's driving behavior in a supportive way **can lower their teen's**

crash risk by half. Setting rules can be done through parent-teen driving agreements. These agreements help set clear driving guidelines/rules and allow for adjustments in driving privileges based on a teen's driving experience, judgment and overall safe driving.

➤ Be a good role model.

Drive the way you would want your teen to drive. Buckle up, don't use a cell phone while driving and obey traffic laws.

➤ Learn about the Nebraska Graduated Driver Licensing (GDL) laws.

GDL laws work in reducing teen driver crashes because they keep teens out of high-risk driving situations such as nighttime driving, driving distracted (cell phones and teen passengers), drinking and driving as well as requiring the use of a seat belt. Utilize these laws to protect your teen driver.

➤ Practice driving.

Teen drivers need many hours of driving practice and need to gain driving experience on various roadway types and in different environments. Continue to drive with your teen even after they get their license as that should not be the only indicator that they have developed all the driving skills they need.

It takes years to become an expert at something and driving is no different.

➤ Limit primary access to a vehicle.

Teens who are the main driver of a vehicle are more than twice as likely to report to having been in a crash as teens who share a car. If you choose to provide your teen with his or her own car, buy one with safety in mind. Go to www.iihs.org/ratings for the Insurance Institute for Highway Safety vehicle safety ratings.

Early (1:30 p.m.) Dismissal Information Request

Meridian Public School has eight (8) scheduled 1:30 p.m. dismissals this coming school year. The early dismissals are for in-services, parent-teacher conferences, and vacation breaks. We understand that these early dismissals create a disruption from the regular school day family supervision plans. Since the disruption is our making, Meridian would like to assist in minimizing the hassles created by our scheduling.

Meridian Public school will create "Early Dismissal (1:30 p.m.) Bus Routes". The routes will be similar to the regular daily routes – same number of routes, various drop-off locations, and an estimated time schedule. Because these routes may be different than the regular daily routes with additional or different drop-off locations and times, we need your assistance.

All families that plan to utilize Meridian's bus services on early dismissal days need to complete and return the information below by **March 28, 2014**.
