

# SOUTHEAST NEBRASKA CAREER ACADEMY PARTNERSHIP

## Value at Meridian High School

### VALUE 5-YEAR PROGRAM OVERVIEW

SCHOOL YEARS: 2011-2017

# 32

SENCAP PARTICIPANTS

The Southeast Nebraska Career Academy Partnership was designed to provide students at **Meridian High School** opportunities to explore career and educational opportunities while still in high school. Through rigorous college coursework and career exploration, SENCAP and Southeast Community College have successfully helped students focus on a career and educational pathway, while saving the student time and money toward the completion of a post-secondary degree.

# \$500

## SCHOLARSHIPS

AVAILABLE TO GRADUATING SENCAP SENIORS

"SENCAP really opened up my view to careers I want to pursue in college."  
- Leslie Howell, Beatrice High School

"SENCAP was effective in introducing me to college-level courses. Although it is a lot of work, I would recommend SENCAP. The benefits of SENCAP allowed me to go on field trips and job shadows that were incredibly helpful in showing me what it would be like to work in the criminal justice field."  
- Haley Hiatt, Fillmore-Central

Every SENCAP school is assigned a **Regional SENCAP Coordinator** who facilitates career education opportunities. The coordinator ensures students are making connections between their personal and educational strengths and how to successfully transition into the workplace and college. Some benefits:

- Career Education Portfolio
- Mock Interviews
- Job Shadowing
- Individualized Career & Educational Field Trips
- Professional Speakers & Student Panels
- College Tours
- Résumé Building
- Personalized Career Website
- Gallup Strengths & Development
- Annual Professional Developments Events Hosted by SENCAP
