Statements:

The practice attitude here at Meridian has improved very much over the past 10 years. Many of the boys make special sacrifices to attend. Some of the boys would have achieved perfect attendance if certain unavoidable obligations didn't come up. A great thank you goes out to the two student managers: Bria Stewart & Ann Endorf. At least one of the student managers were at every practice to help out. That says a lot about their dedication and sacrifices as student managers on this team. Much of their time goes unrecognized by those who are at practices and tournaments. Thank you for your support of Meridian wrestling.

Team and Personal High Points of the 2012-13 Wrestling Season:

Individual Post Season Awards
(As Voted On By Teammates)

Most Improved Wrestler: Alessandro Bottari De Castello, sr.

Alessandro edged out fellow teammate Cody Lundholm as this years most improved wrestler. Alessandro being a foreign exchange student didn't have any prior wrestling knowledge. This season Alessandro had to learn technique and what it takes to be a wrestler. For a first time wrestler this can be quit overwhelming. Alessando handled this situation very well. He was able to win his very first match at Harvard. Alessandro improved every week and learned a lot from his fellow teammates. Alessandro was able to win a total of 19 matches between his JV record of 8-8 and his varsity record of 11-13. Wrestling at 160 lbs. Alessandro also had to learn about weight management , he battled with this for a few weeks. But he was able to handle being on a diet and did a good job of managing his weight. By the end of the season Alessandro

was holding his own and turning the head of opposing coaches, who were impressed with his ability and performance on the mat. It was really see the growth and change with Alessandro this season. The early success that he had was one of the contributing factors of his drive and his will to win. Thank you for being apart of the Meridian Mustangs Wrestling Program. Congradulations and Good Luck to you back in Italy.

Most Physical, Most Sincere and Dedicated and Most Valuable Wrestler:
Riley Noel, jr.

This is the first time that a wrestler has won three of the four post seasons awards. Riley is a special athlete that is a joy to coach. Riley never is one to shrug a task. His great work ethic and determination and let's get it done attitude is why his teammates voted him as the recipient award. Riley had a great season even if a State medal escaped him. Riley is already working for next year. Working out twice a day to get stronger and to better himself. He learned valuable lessons at State this year, which he is using to fuel his competitive fire in his gut. With his senior season remaining I look for Riley to have another stellar season with career records and a State medal around his neck. Congratulations Riley!
