It is the time of year farmers are in the middle of harvest. Please be aware of farm equipment on the roads - both paved and graveled. The weather is cooling down and before long, that word "snow" will be used. Please remember the weather can change quickly and now is a great time to prepare your vehicle. Pack an extra blanket and bottle of water, top off the gas, and make sure your cell phone is charged.

The media outlets Meridian Public Schools will use for late starts and school closings:

KLKN - TV: Lincoln
KHAS - TV: Hastings
KOLN/KGIN TV: Lincoln and Grand Island
KUTT/KGMT 99.5 FM /
1310 AM Radio: Fairbury
Along with our All Call system

The sports teams would like to say thank you for your support as the fall seasons are ending. The volleyball team will have sub-districts in Tri-County on Monday, October 28. With a win, they would be playing Tuesday October 29, once again at Tri-County. NSAA has all sub-district winners and the next 4 wild card teams play the district finals. They will take the 12 sub-district winners along with the 4 at large teams with power points and seed all teams 1 through 16. Seed 1 would play the 16 seed, 2 plays 15, etc. Those games are played at a neutral site on Saturday, November 2nd. Those winners are the teams who qualify to compete at the state tournament, which is being held in Lincoln, November 7th through the 9th.

Winter sports practice will begin on November 18th, and our jamboree basketball game will be on Tuesday, November 27th, at Meridian with the start time at 6:00PM.

Peru State College Visit – All freshman will be visiting Peru State College (lunch will be provided)

December 14

ACT Test (registration is due by Nov 8)

Red Ribbon Week:

The end of October was filled with fun and presentations for our Meridian students. The themes for these days were "Team Up Against Drugs," "It's Crazy to Do Drugs," and "Wake Up Drug Free." We also had a speaker on Thursday presenting on Organ Donation since this is near and dear to many of our hearts. If you have not done so, please take a few moments to talk to your child about the activities they participated in this week.

Career Academy/Dual Credit Classes:

High school students who want to explore a career field and are interested in getting a first-hand look at what college classes will be like by taking a dual-credit college class for second semester, should check out SENCAP's Career Academy. Besides the experience gained, the other big benefit is the cost. Southeast Community College-Beatrice and Meridian will cover the full cost of tuition, which means the only cost to the student is the textbook. This option is for juniors and seniors, but sophomores can be considering the option for next year.

Please check out <https://www.southeast.edu/sencap> or talk to Mrs. Kruse for more information.

Junior and Senior students also have the option of taking dual-credit college classes from Peru State College. Students are encouraged to stop by Mrs. Kruse's office in the next few weeks if they are interested in taking a college class second semester. Class sizes are limited, so early registration is encouraged.

EducationQuest – A Useful Tool
Seniors...a reminder of what to do this fall...

There's A LOT going on right now with the financial aid and college admission processes, but don't get overwhelmed! Here's a recap of tasks you should complete this fall to stay on track to college.

1. Complete the Free Application for Federal Student Aid (FAFSA)

- First, create an FSA ID for you and one for a parent at fsaid.ed.gov. You'll need it to access and sign the FAFSA.
- Review our FAFSA Checklist for a list of items to gather before you start the form.
- Complete the FAFSA at fafsa.gov. You may also complete it via the new myStudentAid app for iOS and Android.
- For free personal help, you can call EducationQuest to make an appointment:

Omaha – 888.357.6300
Lincoln – 800.303.3745
Kearney – 800.666.3721
Scottsbluff – 800.303.3745 ext. 6654.

2. Apply to your top college choices

Hopefully by now, you have some top choices for colleges. Now is a good time to apply to them! Most colleges have a free application process (exceptions are the University of Nebraska and KState), so you won't be out of anything if you apply and change your mind later on. Once you apply, let Mrs. Kruse know and you can be added to the Applied to College Wall. J As always, if you need help, stop by Mrs. Kruse's office.

3. Retake the ACT and/or SAT. Colleges use your best scores for college admission and scholarships.
Register by November 8 for the December 14 ACT.

4. Get serious about applying for

scholarships. See ScholarshipQuest at EducationQuest.org for Nebraska-based scholarships and a list of national search sites. You can also visit the counselor's website off of the school website at <https://sites.google.com/meridianmustangs.org/schoolcounselor>

Juniors...start researching colleges

If you narrow your college choices by the end of your junior year, your senior year will be less stressful. Here's how to get started:

1. **Review College Profiles at EducationQuest.org for information about colleges in Nebraska and across the country and/or the College Prep Handbook in the Counselors Office.** If you're interested in an out-of-state school, check out the Midwest Student Exchange Program to learn about tuition discounts.
2. **Meet with college representatives** who visit your school, and then visit the websites of the colleges that interest you to learn more about the schools.
3. Once you've narrowed your choices, **schedule campus visits.** Try to visit in the spring of your junior year while colleges are still in session. Remember to get a sign-out sheet from the office BEFORE you go on your college visit.

This app will help you stay on track to college

Download the EducationQuest app for easy access to tools like *Activities Resume, College Profiles, College Timeline, Reality Check, and ScholarshipQuest.* There's also a calendar that will guide you through college-planning steps - and you can personalize it with your own tasks.

The app will help you stay on track for college with easy access to these tools:

- **Activities Resume** – allows you to record and print your extracurricular activities and awards.
- **College Profiles** – has details about colleges in Nebraska and nationwide.
- **College Timeline** – provides college-planning steps for each year of high school.
- **Reality Check** – helps you find careers that will fund your desired future lifestyle.
- **ScholarshipQuest** – matches you

with Nebraska-based scholarships that fit your criteria.

Talk to Mrs. Kruse if you would like more information on finding the app.

Meridian Drama presents “A Seussified Christmas Carol”
by Peter Bloedel

This year's play production One Act is “A Seussified Christmas Carol” by Peter Bloedel, directed by Harold Scott. It is a whimsical, one-act reinvention of Dickens' most beloved Christmas story in Seuss spoken rhyming couplets. With the zoot fruited juices and binka bird geese, from Bed-Headed Fred to Timmy Loo Hoo, this tale of glorious holiday cheer is similar to something Dr. Seuss might have come up with – if he ever had his way with the story ...

Cast includes Lindsey Brant, Alyssa Haake, Brynn Holtmeier, Ashley Hummer, Mo'Nae Moody, Jesus Nuñez, Kailyn Paul, Andon Sales, Sonny Scheets, Wyatt Scheets, and Schyler Schwisow.

Crew includes Jenik Green, Lance Henry, Delaney Homolka, Ally Kort, Nylah Moody, Kala Most, Brayden Rut, Kim Schropfer, Erika Schwisow, and Amber Vinsonhaler.

Conference contest is Wednesday, November 20 at Shickley. Pawnee City invitational will be Saturday, November 23rd. Districts will be at Humphrey St. Francis on Wednesday, December 4.

Be watching Facebook, Twitter, and school website for date of home performance.

ENRICHMENT

With the second quarter in full swing, the Meridian Enrichment students find themselves engaged in various projects and activities, ranging from Lego building with bluetooth capabilities for coding, to solar, water and air powered activities, multicultural textile projects, agricultural projects, art projects, Me collages: dealing with images, text and other media that best describes the individual including strengths, weaknesses and personal goals long and short term. Many of the projects and activities are geared toward the student's

strengths and weaknesses. In some of the instances, the projects and activities introduce material and experiences that take the students out of their comfort zones. Many of the projects allow the students to use conventional problem solving skills. But there are those activities that make the students completely think outside of the box and enable them to see or solve problems from a completely different point of view. The projects and activities allow the Enrichment students to further their education, which they wouldn't be able to do in their regular classroom setting.

THANK YOU

Meridian Public Schools and Meridian concessions would like to take the opportunity to say "thank you" to Jason Bartels and Farm Bureau, along with the Meridian Foundation.

Jason Bartels and Farm Bureau have generously donated the popcorn bags to the concessions stand for the second year in a row. The Meridian Foundation donated several cases of water (40 bottles each), condiments, and pickles left over from their tailgate. We truly appreciate your thoughtfulness! Without your continued support, we would not have the success we currently enjoy. THANK YOU!

National Honor Society:

The Meridian National Honor Society plans to participate in Mustang Merriment, a toy and clothing drive for those in need, for the Holiday Season. Please look for information in this newsletter about donations we plan to collect for our annual Mustang Merriment.

Save the Date! NHS will be hosting a blood drive on Tuesday, March 3, 2019 from 9 a.m. to 3 p.m. If you currently donate, please consider donating to our drive. If you have never donated blood before, now would be a great time to start! NHS members will be getting more information out in February and will be setting up appointments closer to this date.

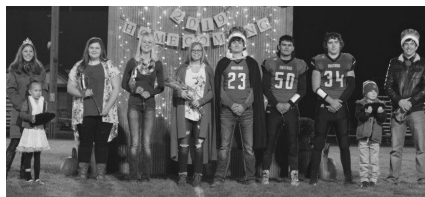

THANK YOU

We would like to extend a special "Thank You" to Heartland Bank and Meridian Partners In Education for furnishing the red book calendars again this year. If you still need one, please

contact Trish, Kathy, or Kelly at the school or pick one up at Heartland Bank in Daykin. You can also find this calendar on the front page of Meridian's website. Click on "View Entire Month" under "CALENDAR HIGHLIGHTS" near the center of the page. Locate "View Events For:" in the upper left corner of your screen. Then simply select the month you wish to view from the dropdown menu. Once again, thank you Heartland Bank and M-PIE for your continued support.

STUCO NEWS

First quarter is officially over! Meridian Student Council was hard at work this month to ensure an amazing Homecoming for the students. This year's theme was Halloween, and students were very creative with decorations this year. This year was also the first year there was a DJ for Homecoming, which everyone seemed to enjoy. Thank you to all of those who donated to the Homecoming Court and everyone who helped with Homecoming. While it was a little chilly the night of the Homecoming game, there was a great turnout. Congratulations to Josiee Sobotka and Kolby Schafer for being crowned Homecoming Queen and King. Also, congratulations to others on the Court: Breanna Boyce, Wyatt Haverluck, Halle Pribyl, and Hector Nuñez.

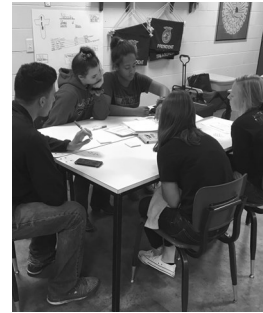

L to R: Breanna Barton (Queen 2018), Elana Horn (Crown Bearer), Breanna Boyce, Halle Pribyl, Queen 2019 Josiee Sobotka, King 2019 Kolby Schafer, Hector Nuñez, Wyatt Haverluck, Kipton Kumpf (Crown Bearer), Micah Noel (King 2018)

Sticking with the Halloween theme, Student Council will paint pumpkins with the elementary students on Halloween. It is always fun to interact with the younger students. Thank you to the teachers who let us come into the classrooms to do this. Members also went around at local Trunk-or-Treats and lakes for Reverse Trick-or-Treating to hand out candy and ask for donations for Make-A-Wish.

This month we also sent eight members to the State Convention in Norfolk. This is a great time to develop leadership skills and bring back new ideas to our council.

Happy Harvest!
Public Relations, Brynn Holtmeier

FFA

Clockwise: Patrick Williams, Jaala Stewart, Nylah Moody, Erika Schwisow, Erin Kujath

FFA members have been busy throughout the first part of the school year. We had our first FFA meeting on September 5, followed by Farm Olympics. On September 8th, we had a large group of members

volunteer in the Adopt-A-Highway program east of Daykin along Hwy 4. The Bonham Theatre in Fairbury hosted a private showing of BlueGrass - a documentary about ranching in the Sandhills of Nebraska. FFA members were able to view the documentary and participate in a Q&A session with the producer. We also had a group of juniors and seniors attend the Careers in Ag Day in York on September 25th to network with professionals that work in the agricultural industry. On October 7th, Erika, Nylah, Ashley, Erin, and Patrick traveled to Fillmore Central for the Connecting Chapters Training to learn how to bring agricultural literacy back to Meridian and surrounding communities. The Blue Jackets Bright Futures recipients were selected - over 650 applications were submitted and only 311 were selected. Eight Meridian FFA members will receive a free FFA jacket: Bailey Holtmeier, Brynn Holtmeier, Chase Bartels, Dylan Peterson, Jaslyn Ward, Jesus Nuñez, Kailyn Paul, and McKenzie Hofstetter.

FBLA

As the quarter ends, FBLA has been doing icebreakers to get to know each member better. This past month,

L to R: Ashley Hummer, Breanna Boyce, Josiee Sobotka, Delaney Homolka, Halle Pribyl, Brynn Holtmeier, Kala Most

FBLA officers attended the Fall Leadership Conference at Hastings College. There, chapter officers from across the state listened to the rock band Funding the Future sing and talk about finances. Then, officers went into separate workshops to learn tips on how to improve their office. There were two sessions of other workshops to help prepare members for their future and better their chapter.

With the icebreakers out of the way, members have now grouped off into committees for the ribbon projects. Ribbon projects are projects chapters work on before the state conference. Meridian FBLA is working on several for this year. Wishing you a Happy Thanksgiving!

MERIDIAN HOMEGROWN BEEF PROGRAM

The Filipis (L to R): Neal, Preston, Taelyn, Kendall, Tami

Meridian Public Schools would like to thank the first 2019-2020 donors to the Meridian Homegrown Beef program. Those donors are the Neal and Tami Filipi family. Their donation of beef will be used to start the school year with beef grown only miles from school. The intention of this program is to have local beef for our students at Meridian Public Schools.

If you are interested in donating and/or helping with this program, please contact Ryan Holtmeier or Jason Bartels.

Night Custodian/Maintenance

Meridian Public School is accepting applications for a full-time Night Custodian/Maintenance person. General knowledge in custodial chores and basic facility maintenance is needed. Please stop by Meridian Public School to complete an application or send resume to: Randy Kort, Meridian Public School, P.O. Box 190, Daykin, NE, 68338 or rkort@meridianmustangs.org. Applications will be accepted until position is filled. EOE

Dear Meridian Boosters, Business, Families, and Fans:

The Meridian Partners in Education (M-PIE) is holding a fundraiser and your support is needed! The funds raised will help M-PIE continue to support all the contributions our organization makes to our school.

Each year, M-PIE helps to support the student body, teachers, and staff in various ways. We provide scholarships, playground equipment, meals for teachers during parent-teacher conferences, assist in funding the Awards banquet, give staff small tokens of appreciation during special events, and sponsor various other activities throughout the year. The money raised in last year's fundraiser helped to pay for an all-school assembly that received very positive feedback from staff and students. Your support of our organization will help us continue to provide for our school!

This year, along with a basket raffle, we are also going to raffle off higher-valued items. We are asking for donations in the form of a basket with a minimum value of \$25, or a monetary donation of \$25 or greater to help purchase the higher-valued items. If you choose to sponsor a basket, the content can be up to you. Some examples would be gift cards for your business, a theme such as "game night", or a Husker basket. This is a great way to advertise your business to our Mustang community while showing support for M-PIE.

All raffle items will be displayed at each home basketball game, and potentially other school-sponsored activities as well. If you are able to provide a basket or sponsor an item, M-PIE will be sure that you or your business get recognized for your support.

The raffle will be held on December 27th at the basketball game versus Diller-Odell. We would like all baskets and donations by **November 15th**. You may drop them off at the school, or call Megan Haake (402-446-2028) or Anne Simms (785-275-1933). Thank you for your support of Meridian Partners in Education, and our students, faculty, and staff!
